The NEOBARCINO MAX Bench features a contemporary design, ideal for urban spaces requiring a highly durable solution. Overall dimensions: 1800 x 835 x 710 mm (length x height x depth). Bench is constructed with cast iron legs finished in hammered gray. Six natural tropical hardwood planks are fitted directly into the frame for enhanced structural stability. The wood is treated with a triple layer Lignus coating, providing fungicidal, insecticidal, and water-repellent protection, making it suitable for outdoor use. It incorporates stainless steel screws, improving corro ng fe is prepare anchoring with M10 expansion bolts, depending on the installation surface and pr equirements.
